LYCÉE FRANÇAIS DE NEW YORK

REPORT OF GIVING

2009 ~ 2010

EMBRACING TOMORROW

This year, the theme of the Lycée's 11th Annual Gala was Embracing Tomorrow, a theme which typifies Gala honoree Christine Lagarde, French Minister for Economy, Industry and Employment. Minister Lagarde was the first woman to hold the post of Finance and Economy Minister of a G7 country. It was under her forward-thinking leadership that unprecedented measures to support the financial system as well as European economies were adopted.

Embracing Tomorrow is in effect much more than a theme at the Lycée Français de New York; it is the modus operandi of the school. It is demonstrated in the classrooms through the use of SmartBoards as well as the most current and successful pedagogical methods our teachers acquire from professional development. This embrace of our future generations also permeates throughout the Lycée in the form of events such as Fall Festival and Spring Fair, and the myriad thought-provoking encounters students and community members have at the Cultural Center. Each event and community activity hosted by the Lycée is done to give our students the clearest possible panoramic vision of the world today to enable them to make informed decisions on the paths they choose toward tomorrow.

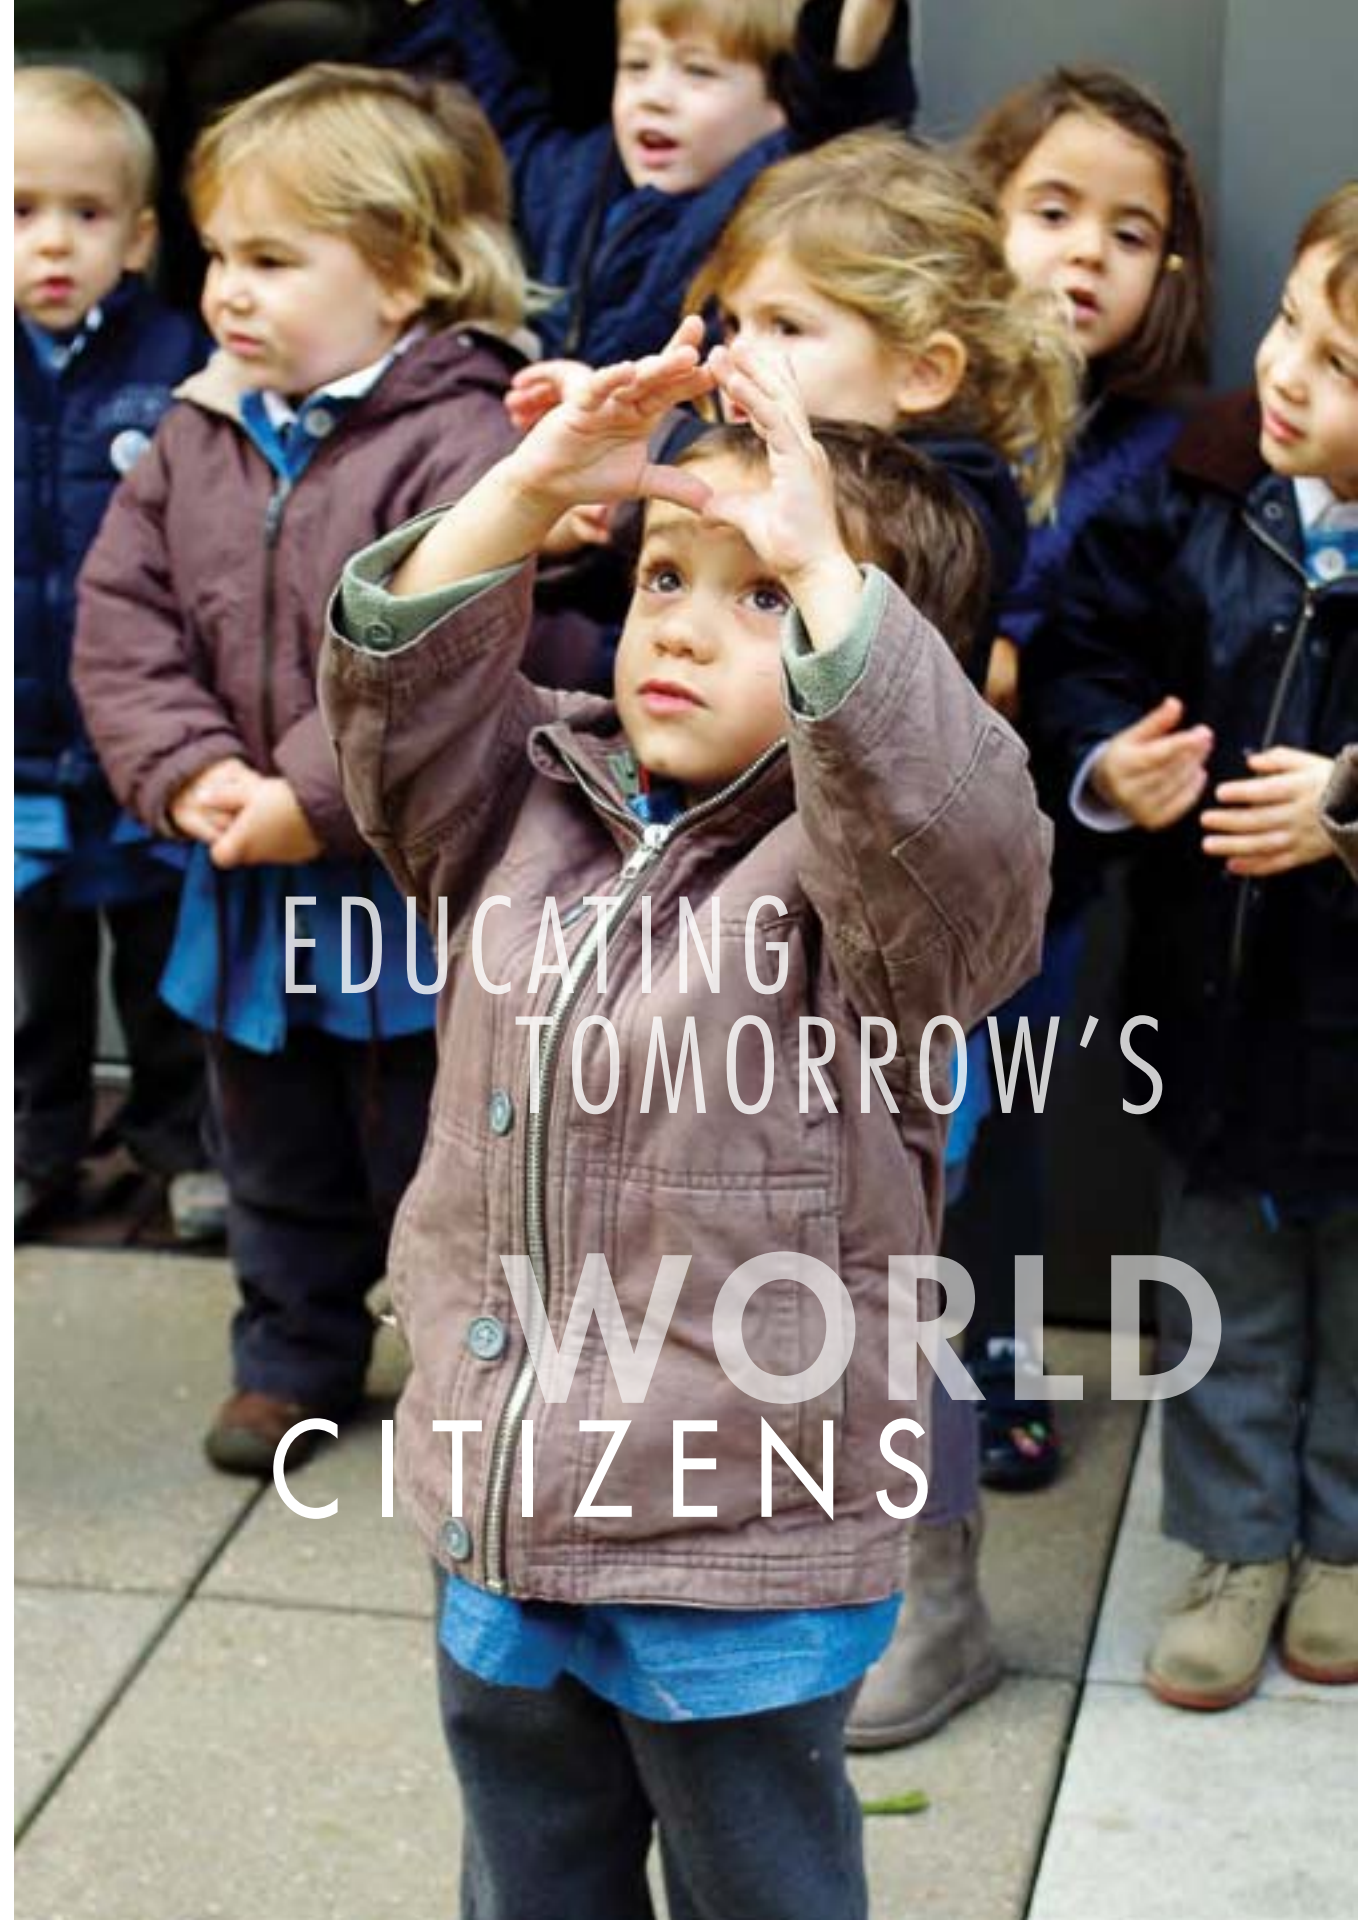

The Lycée, while maintaining rigor and quality, has successfully adapted its long tradition of providing an exemplary education to a diverse and multilingual student population to the changing times, with its mission to educate tomorrow's world citizens taking on increased significance with each school year. Globalization is rapidly changing the world in unpredictable ways, creating highly competitive international fields of business, science, academia and art. A Lycée education anticipates these global changes, and provides students with the necessary language and analytical skills to navigate what is becoming an increasingly connected world. The hard work, ingenuity and generosity of the Lycée staff and community help the school accomplish its mission each and every year.

EMBRASSER L'AVENIR

Cette année, le thème du 11^{ème} gala du Lycée était « Embrasser l'avenir », un thème parfaitement illustré par la personnalité de l'invitée d'honneur, Christine Lagarde, Ministre français de l'Economie, de l'Industrie et de l'Emploi. Christine Lagarde est, en effet la première femme à occuper le poste de ministre des Finances et de l'Economie dans un pays du G7. C'est sous son influence avertie que des mesures sans précédent ont été prises pour soutenir le système financier et économique des pays européens.

« Embrasser l'avenir », c'est plus qu'une idée passagère liée au gala annuel, c'est le modus vivendi du Lycée Français de New York comme on peut le voir à travers l'utilisation des Smart Boards dans les classes ou dans ses méthodes pédagogiques les plus novatrices et performantes acquises par les professeurs grâce à la formation professionnelle. Cet accueil des générations futures se ressent lors de nombreux rassemblements organisés par le Lycée, du Festival d'Automne à la Foire du Printemps, mais aussi grâce au foisonnement de rencontres enrichissantes proposées par le Centre Culturel aux élèves et à la communauté du Lycée. Chaque réunion ou événement préparé par le Lycée a pour but de donner aux élèves la représentation la plus complète et la plus précise possible du monde d'aujourd'hui pour ainsi les préparer à prendre des décisions éclairées sur leur choix de demain.

Le Lycée tout en privilégiant rigueur et qualité continue à dispenser une éducation exemplaire à ses élèves, qui forment une population à la fois multiculturelle et multilingue, et cela tout en s'adaptant à des temps qui changent. La mission du Lycée qui a toujours été d'éduquer les citoyens du monde de demain prend de plus en plus de sens à chaque nouvelle année scolaire. La mondialisation change le monde de la façon la plus imprévisible, créant de nouveaux domaines d'expertise internationale dans le monde des affaires, les sciences, l'éducation ou les arts. L'éducation proposée au Lycée anticipe ces changements et donne aux élèves les capacités d'analyse et d'expression pour naviguer dans cet univers de plus en plus connecté. Le travail assidu, la compétence et la générosité du personnel du Lycée et de la communauté permettent à l'école, d'accomplir sa mission, année après année.

EDUCATING TOMORROW'S WORLD CITIZENS

CONCENTRATION
CURIOSITY

SCOLARITÉ

Dear esteemed donors, ladies and gentlemen,
members of the Lycée community,

As you are probably aware, our 11th Lycée Gala, "Embracing the Future", was met with enormous success. This theme illustrates, in my view, the will of our school, ever visionary, thanks to the energy and commitment of the men and women around me. This willingness to look ahead and to open oneself up to the world in order to meet the expectations of a world in perpetual motion has but one objective: preparing our students for the world of tomorrow.

A few years ago, a strategic plan for a school would have been good for ten to fifteen years. Nowadays this strategic plan fits within a much shorter period – four to six years. To my mind, that symbolizes the flexibility, so essential to a school, to adapt to the near future. We have had the courage to face this reassessment during the past ten years or so and we will continue on this path thanks to your support and your donations. Your donations allow us, in effect, to focus our actions on four areas: pedagogical innovations, high quality educational training, a state-of-the-art physical environment, and management of human resources based on current initiatives. An entire program has been made possible by your financial and moral support.

Over the course of the last ten years, we developed this culture of giving which is so necessary to the proper operation of our school and to its reputation. We are at a crossroads and we must make sure that this culture of giving becomes a mainstay of our community. You continue to be the pioneers and I would therefore like to thank you all for your confidence, which is symbolized by the gifts indicated within this report. Finally, on behalf of all of my students, on behalf of all of my staff, thank you again from the bottom of my heart to our 929 donors.

Yves Thézé
Head of School

Chers heureux donateurs, Mesdames et Messieurs,
Chers membres de la communauté du Lycée,

Comme vous le savez certainement, le 11ème Gala du Lycée, qui avait pour thème « Embrasser l'Avenir », a rencontré un immense succès. Ce thème illustre à mes yeux la volonté constante de donner à notre école une vision grâce à l'énergie et à l'engagement des hommes et des femmes qui m'entourent. Cette volonté de se projeter et de s'ouvrir sur le monde, de façon à répondre aux attentes d'un environnement en perpétuel mouvement, a un seul et même objectif : préparer nos élèves au monde de demain.

Il y a quelques années le plan stratégique d'une école était valable entre dix et quinze ans. Maintenant nos plans stratégiques s'inscrivent dans une durée beaucoup plus limitée, quatre à six ans tout au plus. Cela symbolise à mes yeux cette indispensable flexibilité de la part d'une institution scolaire pour s'adapter au futur proche. Cette remise en cause depuis quelques années nous avons osé y faire face et nous continuerons sur cette voie grâce à votre soutien. Vos dons nous permettent, en effet, d'orienter nos actions à quatre niveaux : les innovations pédagogiques, un encadrement éducatif de qualité, un environnement matériel de pointe, et un management des ressources humaines à la pointe. Tout un programme rendu possible par votre soutien financier et moral.

Depuis environ dix ans, nous avons développé cette culture du don si nécessaire au bon fonctionnement de notre école et à sa réputation. Nous sommes au milieu du gué et nous devons faire en sorte que cette culture du don devienne une habitude pour la majorité de notre population. Vous continuez à être les pionniers et je vous remercie toutes et tous pour votre confiance, symbolisée par vos contributions ; je voudrais enfin vous inviter à perpétuer votre soutien au Lycée pour ainsi lui assurer un avenir serein. Au nom de tous mes élèves, au nom de tout mon personnel, encore merci du fond du cœur à nos 929 donateurs.

EVENTS

This year, events at the Lycée raised over \$1.7 million, including \$1.5 million at the Gala alone. The diversity of events the school hosts provides Lycée families and community members numerous opportunities to socialize with one another, whether amid autumn colors at the Fall Festival, immersed in the festive splendor of the Spring Fair, creating figure eights on the ice at the Skating Party, or of course in stunning black tie attire at the Gala. Special thank you to this year's co-chairs Alicia Bochi for the Welcome Fair; Fadwa Robb and Jennifer Griffin for the Fall Festival; Alexandra de Catalogne Bottrie, Mary-Ann Freda and Laetitia Azoulay Zrihen for the Gala; Chantal Lemaire for Spring Fair. Supported by their teams of volunteers, these parents collaborated with the Development Office to bring the Lycée community together on several special occasions.

ÉVÈNEMENTS

Cette année, les différents évènements organisés par le Lycée ont permis de lever plus de \$1.7 million, avec notamment \$1.5 million lors du gala. La diversité des évènements proposés permet aux familles et aux membres de la communauté du lycée de créer de nombreuses occasions de se rencontrer que ce soit au milieu des feuilles d'automne lors du Festival d'Automne ou dans la splendeur magique du Festival de Printemps, en dessinant des huit sur la patinoire ou en smoking au gala. Un grand merci aux coorganisateurs : Alicia Bochi pour la journée de bienvenue, Fadwa Robb et Jennifer Griffin pour le Festival d'Automne, Alexandra de Catalogne Bottrie, Mary-Ann Freda et Laetitia Azoulay Zrihen pour le gala et Chantal Lemaire pour le Festival de Printemps. Avec l'aide des équipes de volontaires, ces parents ont travaillé en collaboration avec le département du Développement pour rassembler la communauté du lycée autour de ces occasions particulières.

CAPITAL CAMPAIGN

The Lycée continues to reach out to donors for its Campaign for the Future/Préparer l'avenir, which has already raised over half of its \$14 million goal. Campaign funds are earmarked for the school's endowments, whose interest will provide income for the school in perpetuity. The Lycée is especially grateful to its energetic Campaign co-chairs Béatrice Stern and Peter Vanderslice.

CAMPAGNE D'INVESTISSEMENT

Le Lycée poursuit ses efforts de levée de fonds auprès de grands donateurs. Il a déjà réuni plus de la moitié de l'objectif de 14 millions de dollars de sa campagne Campaign for the Future/Préparer l'avenir. Les fonds de cette campagne sont ajoutés à la dotation en capital dont les intérêts fourniront un revenu à l'école à perpétuité. Le Lycée tient à remercier les dynamiques co-présidents de sa campagne, Béatrice Stern et Peter Vanderslice.

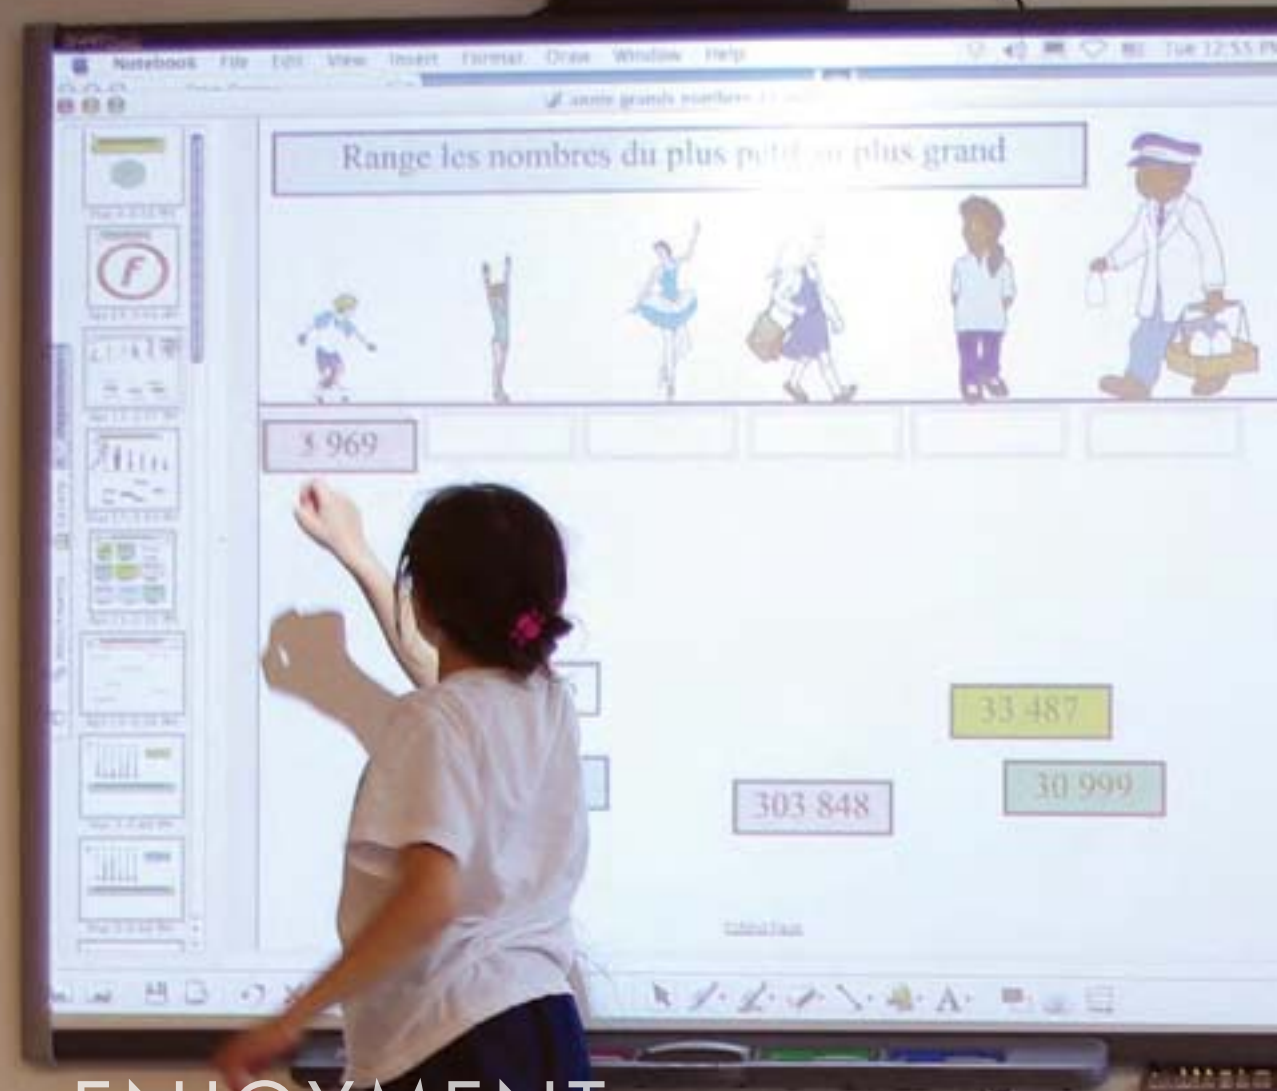

ANNUAL FUND

The Lycée is very pleased to announce that the 2009-2010 Annual Fund raised over \$1.2 million in support of exemplary academic programs, excellent faculty, financial aid, the athletic program and extracurricular activities, and a beautiful state-of-the-art campus. The Lycée is extremely grateful for the passion and guidance of Andrea Greeven Douzet, Jacques Roizen and Haitham Wahab, as well as the dedication put forth by the many Annual Fund Grade Ambassadors and volunteers at morning information tables, cocktail receptions, and calling parties.

FONDS ANNUEL

Le Lycée est fier d'annoncer que le Fonds Annuel 2009-2010 a permis de lever plus de \$1.2 million pour financer des programmes académiques de qualité, des professeurs de premier plan, des bourses scolaires, des programmes de sports et des activités extrascolaires sur un campus de premier ordre. Le Lycée est extrêmement reconnaissant à Andrea Greeven Douzet, Jacques Roizen et Haitham Wahab pour leur passion et leur soutien ainsi qu'à l'engagement de beaucoup d'ambassadeurs du Fonds Annuel et de volontaires aux tables d'information du matin, aux cocktails ou aux sessions téléphoniques.
