# NOTRE MISSION

La mission du Lycée Français de New York est de préparer ses élèves à être des citoyens responsables, prêts à affronter le monde de demain. Pour accomplir ceci, l'école s'appuie sur la connaissance de la langue et de la culture française, et sur le système d'éducation classique à la française. A partir du CP, le français est la langue principale pour l'enseignement, et l'école respecte les programmes de l'Éducation nationale. Parallèlement, les élèves suivent un curriculum complet et exigeant en langue anglaise et en culture américaine, comparable à ce qui est enseigné dans les meilleures écoles privées américaines. C'est l'alliance de ces deux programmes, enseignés par des professeurs qualifiés qui croient en notre mission, qui crée la différence au LFNY.

# OUR MISSION

The mission of the Lycée Français de New York is to prepare its students to be responsible citizens, equipped for the world of tomorrow. To accomplish this, the school relies on the French language, classical educational system, and culture. Beginning in first grade, French is the primary language of instruction, and the school adheres to the curriculum established by the French Ministry of National Education. In parallel, students are provided with a comprehensive and thorough American language and culture program comparable to that of top-level American private schools. It is the blending of these two programs, with the qualified faculty dedicated to our mission, that distinguishes the LFNY.

# Chers membres de la communauté du Lycée Français de New York,

Le Lycée Français de New York occupe une place à part dans le monde de l'éducation internationale, en formant des élèves multilingues et multiculturels, en aidant chacun d'entre eux à réaliser sa promesse individuelle, et en les aidant tous à devenir des citoyens du monde de premier plan. Au cœur de notre mission scolaire, il y a cette volonté de notre communauté d'encourager nos élèves à envisager leur vie comme un apprentissage continu pour devenir des individus performants et responsables. Tout cela se fait grâce à votre générosité exceptionnelle qui se reflète dans vos donations financières, mais s'exprime aussi à travers votre disponibilité d'esprit, de temps et d'énergie.

Grâce à la philanthropie du LFNY, le financement de programmes et de services variés qui ne pourraient exister sans cela est assuré. Derrière cette générosité se lit le vrai désir d'améliorer continuellement l'école et la conviction partagée que nous devons toujours fixer plus haut nos objectifs d'éducation pour nos élèves.

Le LFNY a célébré l'année dernière son 75ème anniversaire, un moment particulier dans notre longue histoire qui nous a permis de réfléchir à ce qui rendait notre école unique depuis 1935, et ainsi renforcer nos bases pour construire l'avenir. Au nom de tous nos élèves, ces merveilleux jeunes gens dont l'épanouissement personnel et intellectuel est notre motivation première, je tiens à vous remercier chaleureusement car, grâce à vous, ces principes et ces initiatives peuvent être mis en avant, nous permettant ainsi d'assurer le meilleur des traditions éducatives françaises et américaines.

La valeur de notre école réside dans son programme scolaire innovant, la multitude d'activités extrascolaires offertes, la formation de notre équipe professorale, la diversité de notre communauté scolaire, et dans de nombreux autres aspects de notre vie scolaire, tout cela étant rendu possible grâce à vos généreuses donations.

En espérant que le rapport que vous allez lire exprime le sentiment profond de gratitude que vous nous inspirez pour tous ces cadeaux qui nous motivent.

# Dear members of the Lycée Français de New York community,

The Lycée Français de New York occupies a special place in the world of international education, teaching multilingual, multicultural students to achieve their individual promise, as well as to become global citizens of the highest calibre. The extraordinary capacity of our community to foster in our students a commitment to lifelong learning and caring leadership lies at the heart of our educational mission. It is the result of your exceptional generosity not only in funding, but also in spirit, time and energy.

LFNY giving underpins a wide array of programs and services we could not otherwise provide. It reflects a widespread devotion to the continuous improvement of our school and a shared conviction that we must always raise our sights towards the educational ideals our young people deserve.

Last year, the LFNY celebrated its 75th anniversary, a singular moment in our illustrious history, which allowed us both to reflect on what has made our school unique since 1935 and to strengthen further the foundation for the future. On behalf of our students, those wonderful young people whose personal and intellectual fulfilment motivates everything we do, I wish to thank you very much for making it possible to continue to pursue those principles and practices which capture the best of the French and American educational traditions.

The value of our school resides in the innovation of our academic program, in the flourishing of our extracurricular activities, in the development of our talented faculty, in the diversity of our learning community, and in many other dimensions of school life that your visionary gifts support.

May the report you are about to read convey the deep gratitude we owe to you for your inspiring contributions!

## TRENDS IN GIVING

# comment donner

Depuis que l'école a ouvert ses portes il y a plus de 75 ans, le Lycée Français de New York a gardé sa réputation d'établissement scolaire d'excellence. Continuer à inspirer les générations futures n'est pas simple : cela demande d'avoir un projet et des ressources pour le réaliser. Le Lycée Français de New York, comme toutes les autres écoles à but non lucratif indépendantes, a besoin des donations philanthropiques pour financer son budget et ses priorités.

Le Fonds Annuel, un de nos programmes de collecte de fonds prioritaire, permet chaque année de soutenir le budget de fonctionnement, de financer les activités au jour le jour grâce aux donations faites et dépensées au cours de l'année fiscale. Parallèlement la campagne d'investissement apporte son soutien particulier pour préparer l'avenir et financer ces besoins spécifiques à moyen et long terme que le budget de fonctionnement ne peut assumer. Grâce à des fonds placés, la Campagne Préparer l'Avenir se concentre sur les bourses scolaires, la formation professionnelle des

professeurs, les nouveaux programmes, et le Centre Culturel. Le LFNY organise plusieurs événements récurrents chaque année qui permettent de soutenir la mission de l'école en favorisant des innovations pour accomplir notre mission. Ces initiatives permettent de lever des fonds, mais aussi de renforcer les liens de notre communauté en partageant des objectifs communs et en alimentant ce sens de la responsabilité sociale qui sera utile aux élèves lorsque leur éducation au LFNY sera terminée.

Chaque donation faite a son importance, et tout le monde au LFNY profite de votre soutien. Grâce à votre générosité, l'école peut limiter la croissance des frais de scolarité. Nous vous encourageons à rejoindre les nombreux donateurs qui considèrent que leur cadeau est un moyen de redonner au Lycée Français de New York : une façon d'exprimer leur gratitude à l'école qui les a préparé ou a préparé leurs enfants ou leurs petits-enfants, à être des citoyens responsables dans le monde de demain.

# ways to give

Since the school's doors opened over seven decades ago, the Lycée Français de New York has stood for excellence in academia. Continually inspiring future generations is no small task: it requires vision and resources to sustain this commitment. The Lycée Français de New York, like all non-profit independent schools, relies on charitable gifts to support its ongoing operations and priorities.

Among our foremost fundraising efforts, the Annual Fund provides important support each year to the operating budget, helping to finance day-to-day operations with contributions given and spent in the current fiscal year. Conversely, the Capital Campaign is a special effort to prepare for the future and address significant needs, both near- and long-term, that the operating budget cannot meet. The Campaign for the Future/ Préparer l'Avenir focuses on scholarships, faculty

development, curriculum initiatives, and the Cultural Center through endowment funds. The LFNY holds several annual events that help support the mission of the school, fostering the innovations that allow us to achieve our goals. In addition to raising funds, these efforts help cement our community through shared goals and alliances and shepherd a greater social responsibility that serves students long after their Lycée education is complete.

Every gift to the LFNY has an impact and everyone at the school benefits from your support. Through your generosity the school is able to minimize tuition increases. We encourage you to join the many donors who see their gifts to the Lycée Français de New York as 'giving back' – an opportunity to express gratitude for the ways in which the school has prepared them, or their children or grandchildren, to be responsible citizens equipped for the world of tomorrow.

**The Lycée Français de New York** gratefully acknowledges the following contributions and wishes to thank these donors for their support.

**The Lycée Français de New York** est profondément reconnaissant des contributions listées et souhaite de tout coeur remercier ses donateurs.
