

Primary English Teacher Recommendation

Student's name: \_\_\_\_\_

Grade applying for: \_\_\_\_\_

Dear Teacher,

Our students at the Lycée Français de New York pursue the same curriculum as is taught in the strongest independent schools in New York. In order to meet the needs of our students, we offer English as a Second Language for beginning English students; we also offer both standard and accelerated levels of English classes to those who are more able in the language. All students take a placement test, both written and oral, before beginning their English classes, and our placement decisions are based on the student's reading comprehension skills, writing strengths, and listening abilities.

This student is applying to the Lycée Français de New York for the school year 2010-2011. In order to place this student in the correct English level, we need your evaluation. And on the back of this form, would you describe the work that was done in your class this year and provide a list of the books that were studied. Thank you in advance for your time.
