Secondary English Teacher Recommendation

Student's name: _____

Grade applying for: _____

Dear Teacher,

Our students at the Lycée Français de New York pursue the same curriculum as is taught in the strongest independent schools in New York. In order to meet the needs of our students, we offer levels for both beginning English students and for more advanced students. And in 10th, 11th, and 12th grades, we offer the OIB program (International Option of the French Baccalauréat) in English, history, and geography.

All students take a placement test, both written and oral, before beginning their English classes, and there is an additional writing exam for those requesting OIB. Our decisions are based on the student's reading comprehension skills, writing strengths, and listening abilities. In order to place this student in the correct English class, we need your evaluation. And on the back of this form, would you describe the work that was done in your class this year and provide a list of the books that were studied. Thank you in advance for your time.
